Domain Power.	)	

**AMEREN TRANSMISSION COMPANY OF ILLINOIS’  
MOTION FOR LEAVE TO FILE A SECOND REVISED ATXI EXHIBIT 2.3 (PART G)**

Ameren Transmission Company of Illinois hereby seeks leave to reopen the record and file a second revised ATXI Exhibit 2.3 (Part G).

ATXI is seeking eminent domain authority with respect to property owned by the Liehrs, comprised of three parcels designated internally as ILRP\_QM\_PI\_060\_ROW. During the evidentiary hearing on September 22, 2014, ATXI witness Ms. Amanda Sloan testified that she had a correction to ATXI Exhibit 2.3 (Part G), which provides the landowner specific narrative documents for the Liehrs. Ms. Sloan indicated that the map attached to ATXI Exhibit 2.3 (Part G) as filed on August 26, 2014, needed to be amended to correctly reflect the proposed routing of the transmission line across the Liehr’s parcels. And that while the final plat, which includes the legal description for one parcel (west of the highway) was included in this exhibit, the final plat and legal description was inadvertently omitted for the two other Liehr parcels at issue (east of the highway).

ATXI filed its revised ATXI Exhibit 4.0 and its revised ATXI Exhibit 2.3 (Part G), pursuant to a Notice of Corrected Testimony that the witnesses made on the stand on September 23, 2014.

It has now come to the Company's attention that while correcting ATXI Exhibit 2.3 (Part G), per Ms. Sloan's testimony at the evidentiary hearing, the Company did indeed provide the final plat for the other two Liehr parcels at issue, but at the expense of deleting the final plat for the first Liehr parcel included in the original ATXI Exhibit 2.3 (Part G). Thus, ATXI Exhibit 2.3 (Part G) (Rev.) now contains the final plat for the other two Liehr parcels but not the first.

Therefore, ATXI seeks leave to file ATXI Exhibit 2.3 (Part G) (2d Rev.), to include both the final plat for the first parcel as set forth in the original ATXI Exhibit 2.3 (Part G), and to also include the final plat for the remaining two parcels as set forth in ATXI Exhibit 2.3 (Part G) (Rev.). Allowing ATXI to file ATXI Exhibit 2.3 (Part G) (2d Rev.) will ensure that the record is complete and that the plat and legal description are provided for all three Liehr parcels across which ATXI seek eminent domain authority.

Dated: September 24, 2014

Respectfully submitted,

Ameren Transmission Company of Illinois
